

# RBO Cultural Champions

Are you looking to enhance the arts, creativity and culture in your school?

---

---

**Registration is now open for Cultural Champions 26/27.**

Cultural Champions is RBO's **FREE**, accredited programme for teachers, supporting them to gain leadership skills, confidence, and strategies to implement **creative and cultural learning** in their classroom, with substantial evidence of impact from over 1,000 educators who have already participated nationally.

The year-long programme is delivered via a range of creative facilitation techniques that deepen reflective practice and incorporates a personalised research initiative that enables Cultural Champions to apply their leadership skills to their current school priorities straight away.

## Why become a Cultural Champion?

1. Increased confidence and leadership skills, through an enquiry-led approach.
1. Increased confidence and leadership skills, through an enquiry-led approach
2. Increased understanding of creative project planning and evaluation to influence whole school change.
3. Access to FREE CPD in Dance, Design and Sing which supports Cultural Champions to develop their curriculum through accessing award winning plans, resources and live lessons.
4. Opportunity to attend our annual Cultural Champions Symposium
